

# Precision in Motion

**Mobility and Machinery**, designs to perfectly  
suit your needs

# OUR VISION

## WE MOVE MORE THAN TRAINS!

### Craftsmanship and Experience for Tomorrow's Mobility

At MBM, we don't just build machines – we create solutions that drive mobility forward and rethink custom machinery. With our passion and experience, we set new standards that are always precise and right on target.

# OUR MISSION

## TURNING IDEAS INTO IMPACT

**Development, Modernization, and  
Optimization – All in One Place**

We deliver end-to-end solutions that help your mobility projects and custom machinery move forward. From the first consultation to final commissioning, we make sure everything works smoothly – leaving nothing to chance.

# WHAT WE OFFER?

## TAILORED TECHNOLOGY FOR EVERY CHALLENGE

- **Transfer Tables:** Precise vehicle movement for rail systems, from above-ground to below-ground solutions.
- **Turntables:** Full flexibility for rail and road vehicles, available in any size and load capacity.
- **Lifting Jack Systems:** From single wagons to full trains - we can lift anything.
- **Winches and Haulage Systems:** Strong, reliable solutions for maneuvering locomotives and wagons.
- **Lifting Platforms & Rotating Devices:** Flexible systems for assembling components and performing repairs.
- **Axle Drop & Wheelset Change Systems:** Fast, safe maintenance for rail vehicles.
- **Parking Shuttles & Custom Constructions:** Efficient parking solutions and special constructions for complex needs.
- **Modernization & Automation:** We upgrade older systems to meet the future, with semi- or fully-automated solutions.

# CONSISTENCY AND TRUST, EVERY TIME?

**Reliability** isn't just our goal – it's our  
guarantee.

# CONSISTENCY AND TRUST, EVERY TIME?
